Sir:

In response to the Restriction Requirement, which was mailed to the undersigned in the subject U.S. patent application on June 13, 2005, applicant, through the undersigned, elects to prosecute in this application, the invention identified by the Examiner as Group I. Applicant expressly reserves the right to file one or more divisional patent applications directed to the inventions not elected to be prosecuted in this application.

Please amend the Substitute Specification of the application, as filed, and the claims presented in the Preliminary Amendment filed with the application, as filed.
